

COMPANY **PROFILE**

## OUR STORY

Pexa Roofing is a proudly South African specialist contractor with a strong reputation for excellence in industrial and commercial roofing solutions. With years of industry experience, we have built our expertise around the supply and installation of high-quality roof sheeting, cladding, insulation, ventilation systems, gutters, and other related components.

Our commitment to precision, durability, and performance ensures that every project — from large-scale industrial facilities to bespoke commercial developments — is completed to the highest standards. At Pexa Roofing, we take pride in delivering tailored roofing systems that meet the unique demands of each client, while maintaining a strong focus on safety, sustainability, and long-term value.

## OUR SERVICES

Pexa Roofing are leaders in the supply, delivery and installation of roof sheeting, side cladding, insulation, flashings, ventilation and rainwater goods to both new construction and refurbishment projects throughout Southern Africa.

### ROOF SHEETING

**Approved installers of GRS (Brownbuilt).**

Also installers of various profiles from companies such as: Clotan Steel, Safintra, MAC Steel and more ...

### VENTILATION
